BY_LAW 501 #26-75 SANDS & LAROCQUE & CARRIED that By-law No 501, being the NORDS 2026 By-law, be enacted.

TIME ZONE #26-76 LANGNER & SANDS & CARRIED that Council supports the Township remaining on Central Time, aligned with Manitoba, and requests that the Province of Ontario take the necessary steps to permit this arrangement to continue.

FIRE #26-77 LAROCQUE & LANGNER & CARRIED that Council supports the Town of Plympton-Wyoming, requesting the Province of Ontario to establish sustainable provincial grant funding for fire services in Ontario.

DRAINS #26-78 SANDS & LANGNER & CARRIED that Council receives and approves the report of engineer Jacob Rooke from R J Burnside, pursuant to Section 65(10) of the Drainage Act for the reapportionment of the assessment schedule for the Government Road Municipal Drainage Works Branch 5 and the Government Road Extension Drainage Works.

OTHER The Rd Supt. reported on the condition of the graders. We are still awaiting the return of the plow truck. He is to check into prices to crush our own gravel in Blue Pit. Mike completed the Due Diligence Course and will work on other courses. They have set up the pad for hosting the recycle depot. The Clerk-Treasurer

reported on: the next fire board meeting, the balance of taxes outstanding, no appeals on the Rempel Drain, awaiting the grant application for the Spohn Drain before we can bill out the costs, the garage repairs have been completed, the repairs to the Wayside rest stop will begin once the contractor returns from vacation, awaiting further update to mapping and the report from the consultant in order to proceed to adopt the Official Plan and Zoning By-Law, awaiting the landfill report, the garage said they would try to get the plow truck into the shop next week, the engineer's report to adjust the sharing ratio for maintenance costs for future maintenance on the Branch 5 Government Road Drain and Government Road Drain Extension was received and circulated to property owners, in order to borrow trust funds to use towards a Columbarium, we would need to prove we cannot secure funds elsewhere, awaiting MTO reports on the request to lower the speed limit in Pinewood, and the request to approve placement of a stainless steel monument in the cemetery. Mayor Hartnell reported on a request to reestablish the North Fire Hall. However, due to anticipated costs for equipment, vehicles, and building repairs, it would not be feasible at this time to proceed with such a request. The Mayor also reported on recent NOMA meeting and upcoming RRDMA executive meeting. Councillor Langner gave an update on DRRSB matters.

ADJOURN **#26-79** LANGNER & SANDS & CARRIED that the meeting be adjourned at 8:53 p.m.
